

Success Stories

“We have had a lot of success working with GlobalVision.

We are looking to reach out to a broader audience by providing our most viewed tutorial, “Getting Started with Email Marketing,” in Spanish. GlobalVision was very receptive to our feedback during the project, and delivered a translation localization that was careful and deliberate.”

“GlobalVision helped Questia's

online library gain an international foothold in 6 foreign languages. We can't wait to continue expanding our international reach with the help of GlobalVision.”

GlobalVision International, Inc. is a private company, founded in 1996 as a full translation and localization solution provider to industries involved in Software, IT, Medical and Media. GlobalVision is equipped with industry-leading experts who can convert your products, literature and websites from and into all commercial languages. For more information, you can reach us at:

What to Look For In a Translation Partner

- ✓ Your Translation database is your intellectual property
- ✓ Lower translation costs result from quality and process

- ✓ On time, on budget and accurate translations every time

Our Clients Enjoy These Features & Benefits

- Competent Project Manager that speaks your language
- Professional Translators in all commercial languages
- Translation is checked by a second translator
- Professional typesetting in all file formats
- IT team to support all file native formats
- Post layout QA
- Low overhead for updates – TM for translation reuse
- Transparency and Accountability (gvAccess family)
- 24/7 access to project status and files (gvProject)
- Visible corporate terminology (gvTerm)
- Streamlined communications with entire team (gvCollab)

Why Choose GlobalVision?

To put it simply, Experience! We are managers, engineers and linguists, who have been very successful in performing marketing and web localization and translation for over a decade. We can separate the art (language) from the science (authoring system) and then fuse them together seamlessly and efficiently allowing experts to work in their own fields.

Our quality and customer service are second to none in the industry, and we have the data to prove it!
